Dear Mona,

This letter is in regards to the 2/20/14 compliance check of your Category B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)k Fire and tornado drills are practiced monthly and documentation kept. (You need to practice and record monthly fire and tornado drills. I suggest using the Emergency Drill Record sheet.)

☐ 110.5(1)o Smoking and the use of tobacco products is prohibited at all times in the home and vehicles used to transport children. Smoking and use of tobacco products prohibited in outdoor play area during hours of operation. (The occasional smoking in the home during off hours must cease immediately. There can be no smoking in the home at any time.)

☐ 110.5(1)q All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. (You need to obtain a current copy of your dog's most recent vet check to be kept on file. If it has been more than a year since his last visit, a new appointment must be scheduled. YOU NEED TO SEND ME A COPY OF THE VET CHECK ALONG WITH THIS CHECKLIST.)

110.5(2) A provider file is maintained and contains:

☐ 110.5(2)b Two hours of approved child abuse and neglect mandatory reporter training (and every 5 years thereafter.) (You need to establish current certification in the mandatory two hour child abuse training and have the certificate on file.)

110.5(8) Children's Files

☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes. Each file contains: (A couple of your children were missing a file all together, and one or two of the children needed updated health statements. You need to establish complete files for the children who didn't have one available.)

☐ 110.5(8)a Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child and the parent's work address and telephone number.

☐ 110.5(8)b Emergency information including where the parent can be reached, the name, street address, city and telephone of the child's regular doctor, and the name number, telephone number, and relationship to the child of another adult available in case of emergency.

☐ 110.5(8)c A signed medical consent from the parent authorizing emergency treatment.

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.

☐ 110.5(8)f A list signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.

☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before** 4/9/14.

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 4/9/14.
